Apple iphone XS 64GB

In Big and Bigger

iPhone Xs is in tune with earlier versions of Apple mobile phones with built in privacy and security. iPhone XS features an indulgent 14.73 cm (5.8) Super Retina Display, is sleek in appearance and constructed to be sturdy, delivering both in terms of aesthetics and durability. It is even resistant to liquid spills and dust. The A12 Bionic Chip which powers this Apple phone transforms the way you look at pictures, the way you game, or even the way you browse the internet on your phone.

- 12MP primary camera.
- 7MP front facing camera.
- 14.73 centimeters (5.8-inch) capacitive touchscreen.
- 2436 x 1125 pixels resolution.
- iOs v12 operating system with 2.39GHz.
- Apple A12 Bionic hexa core processor.
- 4GB RAM.
- Dual SIM dual-standby (4G+4G).
- 2658mAH lithium-ion battery.
- Product colour and design may vary as per stock availability.

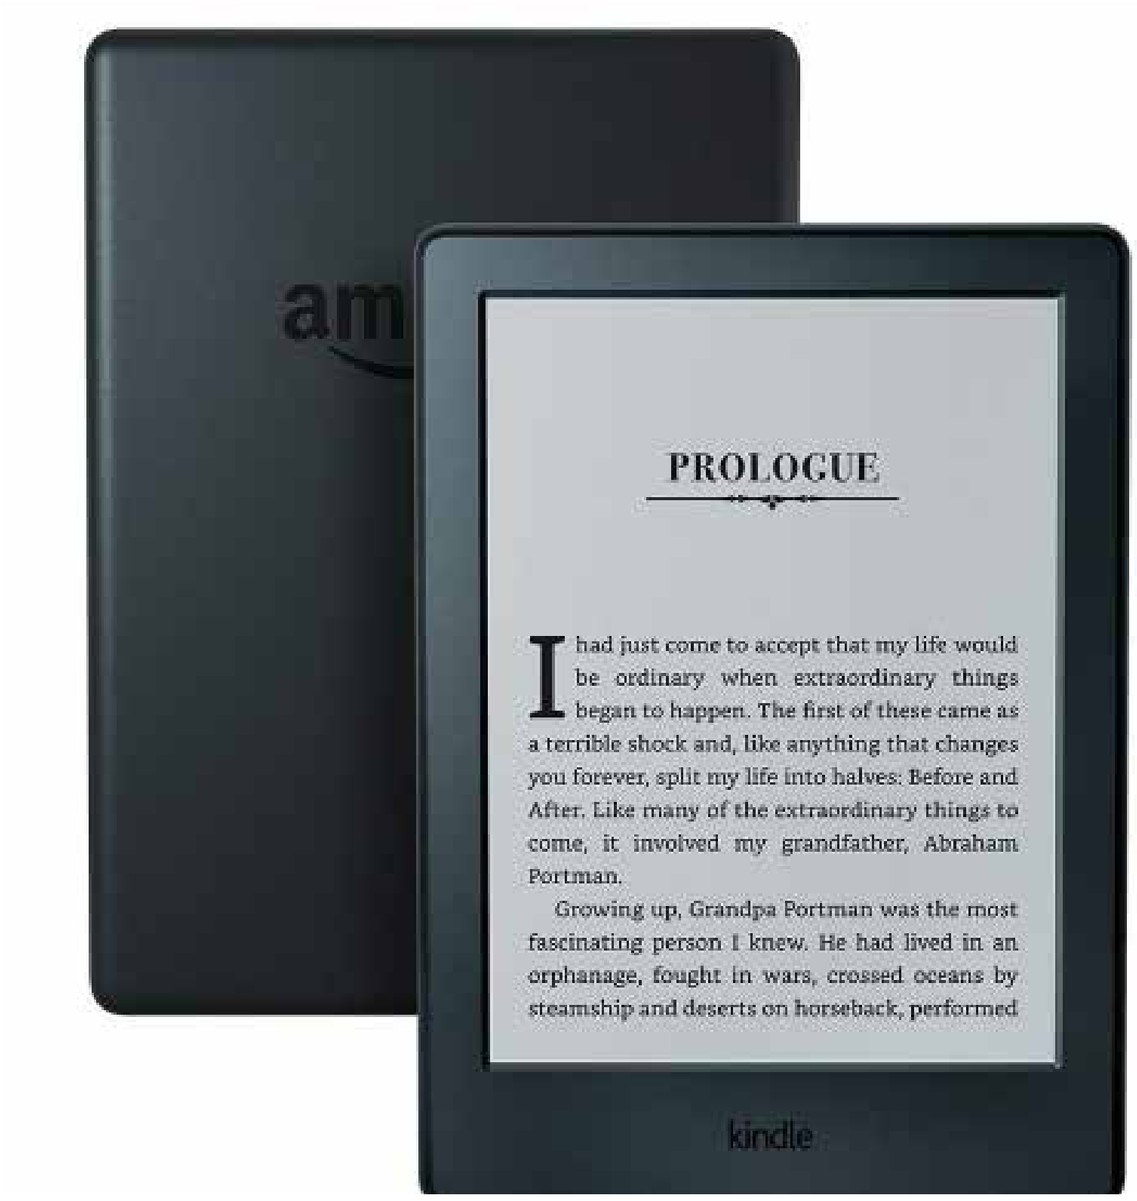
Amazon All New Kindle E-reader

Kindle Unlimited



Enjoy text that reads like the printed page. All fonts have been hand-tuned at the pixel level for maximum readability and comfort. Take and share notes: Add margin notes that you can edit, delete, or even export from your device to your computer. Share highlighted sections and meaningful quotes on Facebook, Twitter, and Goodreads, and see passages frequently highlighted by other Kindle readers.

- All-new design is thinner and lighter.
- Easy on your eyes—touchscreen display reads like real paper.
- No screen glare, even in bright sunlight, unlike tablets.
- Single battery charge lasts weeks, not hours.
- Holds thousands of books. Choose from new releases and bestsellers.
- Largest digital selection of bestsellers in Hindi, Tamil, Marathi, Gujarati, and Malayalam.
- This device does not come with a built-in light.
- Product colour and design may vary as per stock availability.

Bose Soundlink Revolve Plus 240V AP5

Deep. Loud. And Immersive, too : This true 360° speaker was engineered to spread deep, jaw-dropping sound in every direction. That means, when everyone stands around it, everyone gets the same experience. If you set it near a wall, sound will radiate and reflect around the room, immersing you in that same feeling you felt at your favorite concert. And with a flexible handle, it's designed to go wherever you want to bring the music.

- Engineered to deliver deep, loud, immersive sound from a small speaker.
- True 360 degree sound for consistent, uniform coverage.
- Seamless aluminum body which is durable and water-resistant (IPX4).
- Enjoy up to 16 hours of play time from a rechargeable, lithium-ion battery.
- Wireless bluetooth pairing with voice prompts, take calls and access siri or google now right from your speaker.
- Pair two speakers together for stereo or party mode playback, multi-connect to two devices to easily swap who controls the music.
- Easily manage bluetooth connections, unlock features and access future updates with the Bose connect app.
- NFC pairing for easy connectivity to your NFC-enabled devices.
- Easy to grab and go with a flexible fabric handle.
- Optional charging cradle provides a home base and keeps the speaker charged.
- Attach to almost any tripod with the threaded universal mount, easy charging via micro-B USB port, auxiliary input allows you to connect to other audio sources.
- Product contains only one Bose Soundlink Revolve Plus.
- Product color and design may vary subject to stock availability.

JBL Flip 3 Portable Wireless Speaker

- Wireless Bluetooth Streaming: Wirelessly connect up to 3 smartphones or tablets to the speaker and take turns playing surprisingly powerful, room-filling stereo sound.
- 3000mAH Rechargeable Battery: Built-in rechargeable Li-ion battery supports up to 10 hours of playtime.
- Speakerphone: Take crystal clear calls from your speaker with the touch of a button thanks to the noise and echo cancelling speakerphone.
- Splash proof: Splash proof means no more worrying about rain or spills; you can even clean it with running tap water. Just don't submerge it.
- JBL Connect Build your own ecosystem by connecting multiple JBL Connect-enabled speakers together to amplify the listening experience.
- Lifestyle Material: The durable fabric material and rugged rubber housing allows your speaker to outlast all of your adventures.
- JBL Bass Radiator: Hear the bass, feel the bass, see the bass. Dual external passive radiators demonstrate just how powerful your speakers are.
- Voice Assistant Integration: Access Siri or Google Now from your JBL speaker with a simple button press.
- Product colour and design may vary as per stock availability.

Amazon Echo

Amazon Echo has a 2.5 downward-firing woofer and 0.6 tweeter powered by Dolby to deliver crisp vocals and dynamic bass throughout the room. If you are a Prime member, you already have access to Amazon Prime Music- just ask for your favourite artist or song, or request a specific genre or mood. You can also search for music by album, decade, or let Alexa pick the music for you.

Item Code: **GI597**

- Amazon Echo is a hands-free smart speaker that you control using your voice. It connects to Alexa – a cloud based voice service to play music, make calls, check weather and news, set alarms, control smart home devices, and much more.
- Echo has powerful speakers that fill the room with immersive 360° omnidirectional audio, and deliver crisp vocals and dynamic bass response.
- Just ask for a song, artist, or genre from your favourite music services like Amazon Prime Music, Saavn, and TuneIn.
- Using multi-room music, you can even play music across multiple Echo devices at the same time.
- Call or message anyone hands-free who also has an Echo device or the Alexa App.
- Controls lights, plugs, and more with compatible connected devices from Philips, Syska, TP-Link and Oakter.
- Just ask Alexa to order food from Zomato, request a ride from Ola, book a carpenter from Urbanclap, and more.
- Product colour and design may vary as per stock availability."

- Echo Plus has a new design and an improved sound. It comes with a built-in hub to easily setup and control your compatible smart home devices.
- New premium speakers powered by Dolby, play 360° audio with crisp vocals and dynamic bass response.
- Echo Plus connects to Alexa, a cloud-based voice service, to play music, answer questions, read the news, check the weather, set alarms, control compatible smart home devices, and more.
- Stream music from Amazon Prime Music, Saavn, and TuneIn – just ask for a song, artist, or genre.
- You can also use your voice to adjust equalizer settings. Just say, “Alexa, increase the bass”.
- Set up your smart lights and plugs from Philips Hue and Anchor without a separate hub – just ask “Alexa, discover my devices”.
- Also control other compatible smart lights, plugs and remotes from Oakter, Syska, TP-Link, and more.
- Call or message family and friends who have an Echo device or the Alexa App and use Alexa to make Skype calls.
- Use announcements like a one-way intercom to broadcast messages to all your Echo devices.
- Control Echo Plus hands-free – it can hear you from across the room with 7 far-field microphones, even in noisy environments or while playing music.
- 15,000+ skills including ordering cab, food, jokes and games. Always getting smarter and adding new features.
- Product colour and design may vary as per stock availability.

Bose SoundSport Free Wireless Headphones

No wires mean no limits. And Bose Sound Sport free headphones are completely wireless, so you can enjoy total freedom of movement with nothing-not even a single cord-in your way. The acoustic package is designed to deliver sound so clear and powerful it will motivate you to go faster, lift heavier and train longer. Bluetooth technology transmits music from your phone to the headphones, so music plays reliably and consistently whether your phone is in your nearby gym bag, pocket or strapped to your arm. Worried your earbuds will fall out during your workout? don't be. Stay hear+ sport tips are built to stay comfortably in place, even when you're training hard. And if you can't find an earbud, all hope is not lost. You can track down lost earbuds using the Bose connect app's “find my buds” feature.

- Truly wireless sport headphones for total freedom of movement, packed full of technology that makes music sound clear and powerful.
- Earbuds are sweat and weather resistant (with an IPX4 rating) and come with 3 different pairs of stay hear + sport tips (in sizes S/M/L) that provide a comfortable and secure fit.
- Up to 5 hours of play time with each charge and an additional 10 hours with the included charging case.
- Product colour and design may vary as per stock availability.

Bose QuietComfort 35 Wireless Headphones II

Quiet comfort 35 wireless headphones II are engineered with world-class noise cancellation and now they're even better. You can control music, send and receive texts, and get answers using just your voice. Just press and hold the action button, and start talking. With QC 35 headphones II, you can be free from wires by connecting easily to your devices with Bluetooth and NFC pairing and voice prompts walk you through the connection. The multi-function button continues to offer access to your phone's default virtual assistant, like Siri. Volume-optimized EQ gives you balanced audio performance at any volume, while a noise-rejecting dual-microphone system provides clearer calls, even in noisy environments.

- World-class noise cancellation makes quiet sound quieter and music sound better.
- Bluetooth and NFC pairing with voice prompts make for hassle-free wireless connections.
- Volume-optimized EQ gives you balanced audio performance at any volume.
- Noise-rejecting dual-microphone system provides clearer calls even in noisy environments.
- Now Alexa-enabled. Ask Alexa to play music, hear the news, check weather, control your smart home, and more.
- Product colour and design may vary as per stock availability.

Nikon DSLR Camera D3500 with 18-55mm Lens

You don't need to be a photographer to know a great photo when you see one. And you don't need to be a photographer to take a great photo you just need the D3500. It's as easy to use as a point-and-shoot, but it takes beautiful DSLR photos and videos that get noticed. It feels outstanding in your hands, sturdy and balanced with controls where you want them. It's compact, durable and versatile, ideal for travel and it works seamlessly with compatible smartphones, making it easier than ever to share your great photos.

- A DSLR That's as easy to use as a point-and-shoot camera.
- Compact, comfortable design That's great for travel and Special events.
- Image sensor That's 15x larger than those Used in Typical smartphones for sharper, clearer pictures.
- Works with Nikon's snap bridge app for sharing photos with a compatible smartphone or tablet.
- 1080P full HD videos with monaural sound at the touch of a button.
- Product colour and design may vary as per stock availability.

Ferrari Red EDT Spray 125Ml for Men

As you take a strong, purposeful stride, leave behind a trail of your masculine charm that is complemented by a hint of fresh fragrance of this Ferrari Red Eau de Toilette. Fresh woods very masculine. When applying any fragrance please consider that there are several factors which can affect the natural smell of your skin and in turn the way a scent smells on you. For instance your mood stress level age body chemistry diet and current medications may all alter the scents you wear. Similarly factor such as dry or only skin can even affect the amount of time a fragrance will last after being applied.

Philips Citrus Press HR2771

Designed for Efficient Juice Extraction With rising health concerns and increasing awareness about the importance of consuming fruits and vegetables on a daily basis, juicing has become a way of life. The Philips citrus juicer is a good quality citrus juicer for your kitchen. This juicer is designed with a two-way rotation mode that allows you to extract the maximum amount of juice from your fruit, minimizing wastage. Juicing is also easy and convenient with this press as everything from juice, to the pulp, to fruit seeds are separated in the Philips citrus press Low Power Consumption.

- Place the juice container such that it rests on the base firmly and twist it to the left to lock it in position.
- Plug the mains cord and switch on the mains.
- Citrus press starts only on pressing the fruit on the cone.
- The fruit from which juice has to be extracted should be cut into.
- Place the fruit on the cone such that the center of the cut side is placed on the tip of the cone.
- Once the fruit is pressed down into the cone, motor will starts rotating and the juice extraction begins.
- Repeat the juicing step for one for a period of 2-3 minutes. Repeat the step till the fruit peeled, Place next half of the fruit on cone and repeat the step.
- The juice is collected in the juice chamber and is then poured out into glasses.
- Product colour and design may vary as per stock availability.

Signoraware 1.8 Ltr Casserole Double wall Big - Set of 2

Comprising of an inner bowl, an outer bowl and an insulated server, the extra space on the bowl rim of this casserole helps easy placing and removal. The doubled walled insulation is achieved by nesting the two bowls of different sizes together, thus creating an air gap between the walls. The cover too, is double walled. Maximum heat is retained when the server is full. This casserole in fact provides you with two bowls to serve both hot and cold food.

- Double Insulation advantage for excellent temperature control.
- 100-percent food grade and microwave safe.
- Freezer safe and dishwasher safe.
- Material: Polypropylene.
- Package Contents: 2-Pieces Double Wall Big Casserole (1.8 liters).
- Unbreakable.
- Product color and design may vary subject to stock availability.

Zephyr Plastic Mechanix Car - 3

If your child likes cars and prefers to build things, then they will definitely like the Zephyr Mechanix Plastic Cars 3 car set. The set is made of 175 brightly coloured pieces and one instruction manual, which provides step-by-step instructions on how to put these cars together. They can use these instructions to logically figure out the basics of construction and then take the pieces and put together 15 different models.

- Mechanix Plastic Cars 3 car set are made of non-toxic and durable plastic, so you don't have to worry about the safety of your child.
- These pieces also don't have any sharp edges, so your child won't accidentally nick themselves.
- The whole act of constructing the car develops and improves your child's fine motor skills, like their dexterity.
- Following the instructions closely will also help them increase their concentration and attention span.
- Use fine motor skills toys, like this three-car building set, to give your child a strong mental foundation.
- Product colour and design may vary as per stock availability.

Zephyr Count Down Board Game

A word building vocabulary building game. How To Play:One players makes a word with the alphabets facing them and the other person cannot see the alphabets. Make a difficult word of 4-8 letters, depending on age, vocabulary etc. for your opponent guess.

- The other player starts by guessing the alphabets, if it is right then it is turned around so that he can see the alphabet and using these hints try to guess the word.
- If you have a wrong guess then you get closer to drowning. Try to guess the right word before you get drowned.
- A non reversable negative marking system to reduce the cheating.
- While the game is in progress and you think of a new word then place the alphabets on the ridge provided. Of the two players.
- The winner is the one who guesses the right word before his opponent does, or before the countdown strikes DROWNED.
- Product colour and design may vary as per stock availability.

Fitbit Ionic Smart Fitness Watch

The Fitbit ionic is designed to give you your fitness big picture. Housed in a sleek-looking wearable is a smart hub that provides coaching, workouts, tracking and more all backed by built-in GPS, multi-sport modes and smart track automatic exercise recognition. The ionic functions as a traditional smart watch, too, delivering notifications (like texts call sand calendar alerts) and access to apps, onboard music and built-in payments. The large watch face is on-trend with a bright display and sleek metallic accents that make this tracker infinitely wearable-all-day, every day.

- Start dynamic personalized workouts on your wrist with step-by-step coaching.
- Store and play 300 plus songs, plus download playlists from Pandora.
- Use built-in GPS/Glonass to track pace, distance and routes and get Pure Pulse continuous heart rate tracking and real-time zones.
- Access your favorite apps for sports, weather and more and make payments on the go with a built-in NFC chip.
- Track runs, swims, rides, workouts, all day activity and sleep with 4 plus day battery life (varies with use and other factors).
- Increased pixels and amplified brightness up to 1000 nits.
- Operating temperature: 4 degree to 113 degree Fahrenheit, maximum operating altitude: 30,000 feet.
- Product colour and design may vary as per stock availability.

Sigree

Sigree presents the unmatched flavors that you will cherish long after you had your last morsel. Bringing back the legend of India, Sigree presents the authentic cuisines of ancient India, which weren't always rich with cream based gravies. Keeping up with the authenticity, the restaurant strives to keep the dishes minimalist, simple, and lip-smacking while retaining original flavors of every ingredient.

Nalli Gift Voucher Worth INR 500

Nalli Silk Sarees Private Limited was a family owned and operated business that retailed Indian ethnic wear. This 83-year old company had enjoyed impressive growth with a $95 million turnover, a 22 store retail footprint, and had outdone its competitors by being the only player in its segment to have a national presence. Headquartered in Chennai, India, the company built its unique national brand by emphasizing innovation, customer centric practices, quality and honesty across the store's retail operations. In 2011, with changing dynamics in the Indian apparel market, the company started to face intense competition from small and large Indian and foreign retailers.

- Gift voucher is redeemable for items worth Rs. 500/- at any of the Nalli store across india.
- No cash refunds, in part or full against this voucher.
- Should your purchase value exceed the value of this voucher, the differential value should be paid.
- Gift Voucher is reedemable by the bearer. No replacement or compensation is permissible for lost Voucher.
- Mulitated or damaged gift vouchers will not be honoured.
- Once the voucher is issued, the company will not entertain any request for cancellation. Any exchange by the bearer will be considered a valid discharge of the company's Liabilities.
- Valid for 180 days from the date of issue.
- Gift voucher is not valid without authorized signature and the company seal.
- Nalli reserves the right to alter any of the terms & Conditions of this voucher at any time without Prior notice.
- Gift Vouchers cannot be extended /cannot issue new gift Vouchers post expiry.
- Accentiv shall not be responsible for loss / misplace / theft of the Card from the Cardholder, in any manner whatsoever.
