Philips Citrus Press HR2771

Designed for Efficient Juice Extraction With rising health concerns and increasing awareness about the importance of consuming fruits and vegetables on a daily basis, juicing has become a way of life. The Philips citrus juicer is a good quality citrus juicer for your kitchen. This juicer is designed with a two-way rotation mode that allows you to extract the maximum amount of juice from your fruit, minimizing wastage. Juicing is also easy and convenient with this press as everything from juice, to the pulp, to fruit seeds are separated in the Philips citrus press Low Power Consumption.

- Place the juice container such that it rests on the base firmly and twist it to the left to lock it in position.
- Plug the mains cord and switch on the mains.
- Citrus press starts only on pressing the fruit on the cone.
- The fruit from which juice has to be extracted should be cut into.
- Place the fruit on the cone such that the center of the cut side is placed on the tip of the cone.
- Once the fruit is pressed down into the cone, motor will start rotating and the juice extraction begins.
- Repeat the juicing step for one for a period of 2-3 minutes. Repeat the step till the fruit peeled, Place next half of the fruit on cone and repeat the step.
- The juice is collected in the juice chamber and is then poured out into glasses.
- Product colour and design may vary as per stock availability.

Zephyr Count Down Board Game

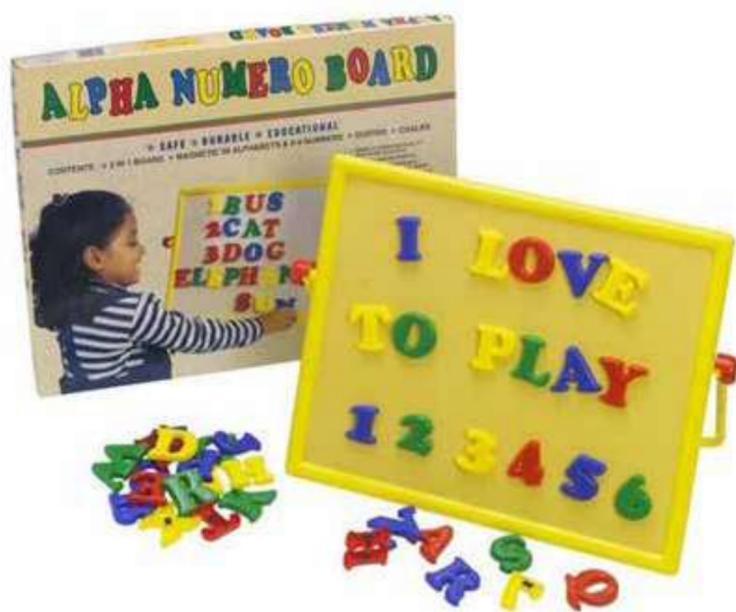

A word building vocabulary building game. How To Play: One player makes a word with the alphabets facing them and the other person cannot see the alphabets. Make a difficult word of 4-8 letters, depending on age, vocabulary etc. for your opponent to guess.

- The other player starts by guessing the alphabets, if it is right then it is turned around so that he can see the alphabet and using these hints try to guess the word.
- If you have a wrong guess then you get closer to drowning. Try to guess the right word before you get drowned.
- A non-reversible negative marking system to reduce cheating.
- While the game is in progress and you think of a new word then place the alphabets on the ridge provided. Of the two players.
- The winner is the one who guesses the right word before his opponent does, or before the countdown strikes DROWNED.

Nalli Gift Voucher Worth INR 500

Nalli Silk Sarees Private Limited was a family owned and operated business that retailed Indian ethnic wear. This 83-year old company had enjoyed impressive growth with a \$95 million turnover, a 22 store retail footprint, and had outdone its competitors by being the only player in its segment to have a national presence. Headquartered in Chennai, India, the company built its unique national brand by emphasizing innovation, customer centric practices, quality and honesty across the store's retail operations. In 2011, with changing dynamics in the Indian apparel market, the company started to face intense competition from small and large Indian and foreign retailers.
