HDFC Bank Parivartan has won CII-National Awards for Excellence in Water Management 2020

The **East Khasi Hills district in Meghalaya** faced a host of issues such as fewer livelihood opportunities; poor health and hygiene standards; lack of availability of water in schools leading to increasing dropout rate among students.

After a comprehensive need assessment, HDFC Bank undertook following initiatives in the villages of East Khasi Hills district.

- 3 rainwater harvesting structures constructed / revived
- 3 villages connected with solar water distribution system
- 35+ lakh liters of water now readily available for villagers

With the help of above, the Bank was also fulfil water needs to 6 villages in the district, completely.
