NEW DELHI, Jan 21 (PTI)

FUTURE Retail's Rs 24,713 crore-deal to sell its retail assets to billionaire Mukesh Ambani-led conglomerate Reliance Industries has got approvals from stock exchanges with certain riders. India to face higher security challenges in line with rising stature, influence: Army chief

NEW DELHI, Jan 21 (PTI)

ARMY chief General M M Naravane on Thursday said India will face increasingly higher security challenges in tune with its rising stature and it must enhance indigenous defence capabilities to maintain strategic influence and freedom of action as external dependence for weapons creates vulnerabilities in times of crisis.

In an address at a seminar on Army-industry partnership, General Naravane talked about twin challenges of COVID-19 pandemic and the “belligerence” on the northern borders that his force faced in 2020, and said the

Government's focus on self-reliance will boost the country's overall strategic objectives.

He also said the unresolved borders and wars in the past with “our adversaries” challenge the myth of ‘no conventional war’, adding proxy war, ‘Left wing extremism’ and insurgencies are likely to keep the Army occupied.

“India is now a rising regional global power in Asia, more particularly in South Asia. As we rise in our stature and influence, we will face increasingly higher security challenges,” he said at the

seminar organised by the Society of Indian Defence Manufacturers (SIDM). Referring to increasing security challenges along India's unresolved Northern borders, he said a continuous and concerted capability building of the Army through modernisation to address these security challenges is a national imperative.

Indian and Chinese troops are locked in a tense standoff in eastern Ladakh for over eight months.

HDFC Bank faces Rs 1 crore penalty

NEW DELHI, Jan 21 (PTI)

SEBI on Thursday imposed a penalty of Rs 1 crore on HDFC Bank for invoking securities pledged by stock broker BRH Wealth Kreators in violation of the regulator's interim directions.

In addition, the bank has been directed to transfer Rs 158.68 crore along with 7 per cent interest per annum into an escrow account till the issue of settlement of clients' securities is reconciled, Sebi said in an order.
