₹5,001/- to ₹10,000/-	₹600/-
More than ₹25,000/-	₹750/-

The following illustration will indicate the method of calculating various charges.

Assume that you have paid all previous dues in full and do not have any amount outstanding in your card account. Your statement date is 05th of every month. The following is the list of transactions you have done on your regular purchase Card account.

Date	Transaction details	Amount
02 nd April	Purchase of goods	₹10,000/-
05 th April	Statement date	Total amount due (TAD) = ₹10,000/- (Minimum amount due is 100% of the Total amount due)
25 th April	Purchase of goods	₹20,000/-
05 th May	Statement date	All cards issued to the Company would be blocked if the TAD (of ₹10,000/-, in this case) is not received.

On the statement dated 05th May, the following would reflect as the components of the total amount payable:

Interest calculated = (outstanding amount x 2.95%* x 12 months x No. of days) / 365.

- (1) Interest of ₹10,000/- @ 2.95% per month (i.e 35.4% per annum) from 6th April to 5th May (i.e for 30 days) = ₹290.96/-
- (2) Interest on ₹20,000/- @ 2.95% per month (i.e 35.4% per annum) from 25th April to 5th May (i.e for 11 days) = ₹213.37/- Total interest = ₹290.96 /- + ₹213.37/- = ₹504.33/-
- (3) Late Payment Charges = ₹600/-
- (4) Goods and Services Tax @ 18% on Interest and Late Payment Charges = ₹198.78/-
- (5) Total Principal Amount outstanding = ₹20,000/- (fresh spend) + ₹10,000/- (previous statement's outstanding balance)= ₹30,000/- Hence, the Total Amount Due= (2) + (3) + (4) + (5) = ₹31,303.11/-

Please note:

Finance Charges and other charges are subject to change at the discretion for HDFC Bank.

For a list of charges that may be levied at specific instances, please refer to the Schedule of Charges available at the start of this document. ADDITIONAL SCHEDULE - Income Recognition, Asset Classification and Provisioning pertaining to Advances- Clarifications (IRACP)

With reference to the Commercial / Corporate Credit Card application submitted by me / us, I / we confirm having understood the following concepts and illustrative examples (as detailed below) related to due dates, classification of my/our Card as Special Mention Account (SMA) / Non-Performing Asset (NPA) in the course of the conduct of the Credit Card.

Concepts / Clarifications / Illustrative examples

Dues:

Means, the principal / interest / any charges levied on the credit card which are payable within the period stipulated as per the terms of sanction of the credit facility / payment due date mentioned in the monthly statement.

Overdue:

Means, the principal / interest / any charges levied on the credit card which are payable but have not been paid within the period stipulated as per the terms of sanction of the credit facility. In other words, any amount due to the bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the bank.

Appropriation of payments:

Payments received against the Card member's card outstanding will be adjusted against all taxes, fees and other charges, interest charges, cash advances and purchases in that order.

if in any credit card as on 1st Feb'21 there are no over dues and an amount of Rs. X is due for payment towards principal / interest / charges, any payment being credited on or after 1st Feb'21 in the credit card will be used to pay off the dues outstanding on 1st Feb'21

Assuming that nothing is paid / or there is partial payment (Rs Y) of dues during the month of February, the overdue as on 1st Mar'21 will be Rs. X-Y.

Additionally, an amount of Rs.Z becomes due as on 1st Mar'21, Now any payment / partial payment into the account on or after 1st Mar'21 will be first utilized to pay off the partial due of 1st Feb'21 (Rs X - Rs.Y) If there is more recovery than the Rs X - Rs Y then after recovering dues of 1st Feb'21, the remaining amount will be treated as recovery towards due of 1st Mar'21.

Age of oldest Dues:

The age of oldest dues is reckoned in days from the date on which the oldest payment is due and continues to remain unpaid. In the aforesaid illustration, if the Dues relating to 1st Feb'21 remain unpaid till 1st Mar'21, the age of the oldest dues is reckoned as 30 days on 2nd Mar'21.

Classification as Special Mention Account (SMA) and Non-Performing Asset (NPA):

Lending institutions will recognize the incipient stress in card accounts, immediately on Default, by classifying them as Special Mention Accounts (SMA) The basis of classification of SMA / NPA Category shall be as follows:

Outstanding in the Credit card account (For credit card dues referred hereinto is the Minimum Amount Due as mentioned in the card statement.)	
SMA Sub - categories	Basis for classification – Principal or interest payment or any other amount wholly or partly overdue
SMA-0	Up to 30 days
SMA-1	More than 30 days and up to 60 days
SMA-2	More than 60 days and up to 90 days

Non-performing Asset:

A credit card account will be treated as non-performing asset if the minimum amount due, as mentioned in the statement, is not paid fully within 90 days from the payment due date mentioned in the statement.

Illustrative movement of an account to SMA category to NPA category based on delay / non-payment of dues and subsequent upgradation to Standard category during End of Day (EOD) process (considering February as a non-leap year month): Dues referred hereinto is the Minimum Amount Due as mentioned in the credit card statement.
