STATEMENT OF ACCOUNTS

The Bank will mail a Statement of transactions in the Card Account every month on a predetermined date, to the mailing address provided by the Cardmember.

Non-receipt of the Statement for any reasons whatsoever is not a valid reason for non-payment of dues. Should the Cardmember not receive the Statement within 7 days from the usual Statement date, the Cardmember is requested to call the HDFC Bank Credit Cards Division to check the amount payable. Requests for duplicate Statements will attract charges as determined by the Bank from time to time. The Statement date is predetermined and cannot be changed. The Cardmember further agrees that the Bank may round off the bill as determined appropriate by the Bank from time to time. The amount paid in excess of the actual bill amount will be adjusted in the next billing cycle.

The Cardmember should promptly notify the Bank of any unauthorised transactions appearing on the Statement to enable investigation/amendments (if necessary). These transactions should be notified/referred within 30 days from the date of the Statement, after the expiry of which the Bank will not be liable for any refunds that may be related to such transactions.

The Statement will have detail all transactions received and processed in the Card Account including any refunds or payments made since the date of previous Statement and up to the close of business on the day of the current Statement date.

The amount outstanding on the Cardmember's Statement will be made up of the following:

The amounts charged for all goods and services purchased by the use of card including all mail and telephone order, or over the Internet and authorised by the Cardmember or by any (Add-on) Cardmember to be charged to the Card Account.

Cash advances on the Cardmember's Card Account including those incurred through Automated Teller Machines (ATMs) wherever applicable.

All Balance Transfers, if any, availed of by the Cardmember.

The charges set out elsewhere in the Cardmember Agreement (e.g., Fees, Service Charges, Service Tax etc.)

The Cardmember should check each Statement of Account carefully on receipt and immediately notify the Bank of any unauthorised mail or telephone order/internet, any disputed transaction or any other error.

International transactions on the HDFC Bank International Credit Card: These will be identifiable by a second memo line appearing under the Merchant name - detailing the Foreign Currency and amount.

TRANSACTIONS

Whenever the Cardmember signs a sales slip/charge slip, mail order form, places a telephonic/internet order, or any other document authorising the Bank to accept a transaction on the Card Account, the Cardmember(s) is/are agreeing to, confirming the validity and acknowledging the amount (including and/or any fee or service charge) shown on that document relevant to the price of the goods and/or services obtained. It must be noted that service charges or any fees levied are not refundable in case of a dispute.

Similarly, when the Cardmember signs a cash advance voucher, the Cardmember is agreeing to and confirming the validity and accuracy of the amounts shown (including and/or any fee or service charge) shown on that voucher relevant to the cash obtained. In some cases, the Cardmember may be requested to acknowledge the receipt of cash on the same or separate voucher.

The Cardmember must ensure to keep copies of all such vouchers/documents in a safe manner at least till such time as the transaction is reflected in the Statement.

The Cardmember must not at any point, hand over the card to any other person for use. It must also be ensured that the Cardmember is physically present at the Merchant Establishment (except in the case of mail/telephone order/internet transaction) at the time of the transaction.

The Cardmember must ensure that the card/PIN is not shared with any other person for usage. In the event of any such usage it will be deemed as criminal/civil offence as the case may be. The Bank reserves the right to proceed legally against the Cardmember and the person suspected of such usage as per applicable laws. The Cardmember should not use retail/consumer card for the purpose of funding the working capital and/or other financial requirements of any business owned by him/her.

Prior to completion of a transaction on his/her Card Account, if the Cardmember wishes to cancel the same, he/she must advise the Merchant and ensure the destruction of the voucher/document in his/her presence.

CARDMEMBER AGREEMENT

Where the card transaction is being processed on any electronic terminal the transaction would typically have been completed by the time the voucher is presented for the Cardmember's signature.

In such cases, the Cardmember must ensure that the Merchant completes a 'refund' transaction or 'voids' the transaction and provides the Cardmember with evidence (e.g., Credit Voucher) of the same.

The Cardmember must retain this evidence and advise the Bank if the refund does not appear on the next Statement of Account or if the transaction that has been voided appears in the Statement of Account.

Similarly, where a transaction is previously completed and the Merchant is subsequently willing to accept a cancellation (e.g., Airline or Railway Bookings etc.), the Cardmember must ensure that the Merchant completes the refund in the form of a Credit Voucher (with the imprint of the card). The Cardmember must retain a copy of this voucher and he/she must advise the Bank of this refund if it does not appear on the account within thirty days from the date of cancellation.

A purchase and a subsequent credit for cancellation of goods/services like air/rail tickets are two separate transactions.

The Cardmember must pay for the purchase transaction as it appears on the Statement, to avoid charging of any fee. The refund will only be credited to the Card Account (less cancellation charges) as and when received from the Merchant.

FEES AND SERVICE CHARGES

The Bank reserves the right to charge the Credit Card Account with fees and charges. The Bank is also irrevocably authorised to debit the Credit Card Account with joining fee (as applicable) in the first year and with an annual membership fee (as applicable) each year until the Credit Card Account is closed. The Annual Membership Fee is payable in advance and no refund is payable when the Credit Card Account is closed. The Primary Card and Add-on Cards will attract Annual fees as specified from time to time. The monthly Statement of Account will detail all such fees and charges applied to the Credit Card Account.

The Joining and Annual fee(s) are subject to changes at the discretion of the Bank and are not refundable. The Cardmember agrees for these fees to be charged to the monthly Statement that will be generated by the Bank.

INTEREST

Unless the interest-free period applies as set out below, HDFC Bank will levy an interest on any new purchase (and any related debited charge) from the day on which the purchase (and any related debited charge) is transacted on the Card Account. The interest free period for a purchase (and any related debited charge) in any Statement period will apply if the outstanding balance on the Card Account for the previous Statement period (if any) is paid in full by its due date. If the outstanding balance on the Card Account is not paid in full by its due date, finance charge will be levied on both statemented outstanding and new purchases (and any related debited charge), from the date of each transaction on the card account till the date of complete payment is made.

HDFC Bank will charge interest on a Cash Advance from the day on which the Cash Advance is transacted on the Card Account till the date of repayment of the Cash Advance (including cash interest accrued thereof) in full.

HDFC Bank will ordinarily levy interest on the purchase balance outstanding on the Card Account on a daily basis by applying its current daily percentage rate to the amount of the purchase balance outstanding at the end of each day. HDFC Bank will levy a finance charge on Cash Advance balances on a daily basis by applying its current daily percentage rate to the amount of the Cash Advance balance at the end of each day.

The interest as above, will continue to be payable after termination of this agreement or closure of the Card Account until the card balance is cleared in full.

HDFC Bank may at any time, under intimation to the Cardmember, vary the interest to take into account prevailing interest rates, market forces and credit and business risks. The Bank may offer differential rates on preferential Cardmember behaviour. This is entirely at the discretion of the Bank and could mean revision of interest rates higher or lower than the rate prevailing at that point of time.

GOVERNMENT FEES AND CHARGES

Various government duties, rates, taxes or charges will apply to and be payable by the Cardmember for the operation of the Credit Card Account. The Cardmember agrees to reimburse the Bank for payment of any such taxes, rates or charges or other similar taxes or levies payable in connection with any advances, finances or credit provided by the Bank to the Cardmember.

Goods & Services Tax (GST)

- The applicable GST would be dependent on place of provision (POP) and place of supply (POS). If POP and POS is in the same state then applicable GST would be CGST and SGST/UTGST else, IGST.
- GST For FEE & Charges / Interest transactions Billed on statement date will reflect in next month statement.
- GST levied will not be reversed on Any dispute on Fee & Charges / interest.

PAYMENTS

As per the RBI guidelines, in case the amount on account of use of the Card overseas is greater than the Cardmember's Foreign Exchange entitlements, the Cardmember should provide the reimbursement claimed, and the Bank is authorised to report the matter to the Regional Office of the Exchange Control Department giving full details.

However, under no circumstances should the payment of the Credit Card bill/dues be delayed or refused on the grounds of the Cardmember having exceeded the entitlement. There will be no obligation on HDFC Bank to make a claim or demand for payment on a Cardmember and non-payment shall render the Cardmember liable to risk of withdrawal (whether temporarily or permanently) of his card membership. **MONTHLY REPAYMENTS TO CARDMEMBER'S CARD ACCOUNT**

Amounts which are payable immediately

Overlimit Amount - If at any time, the outstanding balance on the Statement of Account exceeds the approved Credit Limits, this Overlimit Amount must be paid immediately.

CARDMEMBER AGREEMENT

Overdue Amount - If 'Minimum Amount Due' remains unpaid from previous Statements of Account; these oOverdue amounts must be paid immediately.

Amounts which are payable by the 'Due Date'

Each month the Cardmember may pay as much as he/she wishes towards the 'Closing Balance' shown on the Statement of Account, provided the payment is not less than the amount shown on the Statement of Account as the 'Minimum Amount Due'.

If the Cardmember does not wish to pay the full amount of the closing balance shown on the monthly Statement of Account he/she can avail of the Revolving Credit Facility and will need to pay only the Minimum Amount Due as shown on Statement of Account. All payments must be made prior to the due date, irrespective of whether or not Statement has been received by the Cardmember. Non-receipt of a Statement will not be considered a valid reason for non-payment. In the event that the Cardmember has not received the Statement, he/she can calculate the amount based on the unpaid chargeslips in his/her possession.

(WEF April'25), MAD = Total GST + EMI amount + 100% of Fees/Charges + 5% of [Finance Charge (if any) + Retail Spends and Cash Advance (if any)] + Overlimit Amount (if any). In case 5% of (Finance Charge + Retail Spends and Cash Advance) is less than Finance Charges, then MAD will be Total GST + EMI amount + 100% of Fees/Charges + 100% of Finance Charges + 5% of [Retail Spends + Cash Advance (if any)] + Overlimit Amount (if any) of the Statement Closing Balance or Rs. 200, (or such other amount as notified from time to time), whichever is greater. (This does not apply to cancelled or closed Cards in case of which full outstanding amount needs to be cleared immediately on demand). If the closing balance is less than Rs. 200 (or such other amount as notified from time to time) it must be paid in full.

The due date for payment (which presently would be approximately 20 days from the Statement date) is the last date by which the payments should reach the Bank. It may be noted that the due date is only a convenience to enable Statements to reach the Cardmember and also to provide time to process the Cardmember's payments. Future transactions on the account may be declined if the payment is not received within the due date and all transactions will attract service charges from the date of purchase.

The Cardmember's payments will first be applied to all overdue amounts (the oldest due being credited first) in the following order:

1. Fees and other Charges
2. Interest
3. Balance Transfer Amount Billed (if applicable)
4. Cash Advances Billed
5. Retail Transactions Billed
6. Balance Transfer Amount Current (if applicable)
7. Cash Advances Current
8. Retail Transactions Current

Payment will be treated as made from the date on which the payments are credited to the Card Account in the ordinary course of business. Payments made by cheque drawn on a location where the Bank does not have a branch will be subject to a processing and handling fee as determined by the Bank from time to time, in addition to Drawee Bank's charges for all outstation cheques. Generally, payments made in cash or through Direct Banking Channels will be credited to the Card Account within 2 business days, provided, they are made prior to the close of business hours as applicable. Proceeds of payments to the account such as cheques cannot be used or withdrawn until funds are confirmed as cleared. If, for any reason (whether at Cardmember's request or otherwise) the Bank allows withdrawal or use of the proceeds of the cheque or other such payment before it has been cleared, the Bank will be entitled to debit the Card Account, in the event that the cheque or other such payment is later dishonoured and the Cardmember shall be completely liable to make payments thereof and on account thereof.

Payment towards multiple Card Accounts (held by the same Cardmember or otherwise) cannot be made vide a single cheque. The Bank does not undertake the responsibility of apportionment of such payment as may be desired by the Cardmember.

If the Cardmember is not going to be able to access his/her mail around the period that he/she usually receives the Statement, it would be the Cardmember's responsibility to make arrangements to ensure that at least the Minimum Amount Due reaches the Bank before the Payment Due Date.

The Bank has made arrangements to provide Drop Box facilities at various locations in serviceable cities as determined by the Bank from time to time. The updated list of Drop Box locations may be communicated to the Cardmember as appropriate. The Cardmember is advised to use these Drop Boxes to deposit only locally payable cheques or drafts along with Payment Vouchers/stubs (tear off portion of Statement) duly completed with the cheque details.

Cardmembers are advised not to issue post-dated cheques towards card outstanding as the Bank does not in the normal course of operations offer to clear post-dated cheques.

Timely payment towards the card dues is essential and it is a condition of this Agreement that all payments towards Minimum Amount Due must reach HDFC Bank on or before the Payment Due Date indicated in the monthly Statement of Account.

If the Minimum Amount Due is not paid by the Payment Due Date, a late payment fee as specified in the tariff sheet will be debited to the Card Account and is subject to change at the discretion of HDFC Bank.

Non-payment of card dues shall also render the Cardmember liable to risk of instant withdrawal of the card membership without prior notice. **RETURNED PAYMENTS**

In case the cheque or any other payment instrument forwarded by the Cardmember is not honoured or must be returned to the Cardmember because it cannot be processed, HDFC Bank reserves the right to proceed legally against the

CARDMEMBER AGREEMENT

Cardmember and would at its discretion levy a penal fee and/or temporarily withdraw credit facilities on the card. Repeated instances of payment instruments not being honoured could result in cancellation of the account. A cheque return fee at the prevailing rate would be levied on the amount of the returned cheque subject to a minimum amount as specified by the Bank from time to time.

The attention of the Cardmember is invited to the provisions of section 138 of the Negotiable Instruments Act, 1881 and to the serious criminal penalties therein specified for the dishonour of cheques. **AUTO-DEBIT**

If the Cardmember has a Current Account or a Savings Account at any of our branches in India, the Bank may at its sole discretion arrange to have any one of these accounts debited automatically every month on the Cardmember's written request.

The Cardmember may note that the Auto-Debit facility will not be available on certain classes of Accounts as determined by the Bank from time to time. Accounts currently residing in Micro Banker will not be eligible to participate in this facility.

The Automatic debit will be processed on the registered account nominated by the Cardmember from the Payment Due Date and will be credited to the Card Account. In the event of non-realization of payment in the first attempt, repeat attempts will be made until realization of payment

Cardmember must have sufficient cleared funds in the nominated Savings or Current Account at the time of the debit being processed. In case the Cardmember has instructed the Bank to clear the Card Account balance fully (i.e., 100% Auto-Debit) each month, but the cleared balance available in the nominated Savings or Current Account is insufficient in any month, the Auto-Debit service will instead claim only the Minimum Amount Due (if the cleared balance in the nominated account is sufficient to cover the Minimum Amount Due). In such instances of nonrecovery for Total Amount Due for two successive months, the Auto-Debit instruction for all subsequent months will be amended by the Bank to claim for the Minimum Amount Due until receipt of fresh instructions from the customer. Where the Auto-Debit service claims the Minimum Amount Due, and the nominated Savings or Current Account does not have sufficient funds to meet the claim, the amount will be reserved to Cardmember's Card Account and the Auto-Debit reversal charges at the prevailing rate would be levied to the Card Account. In such instance of non-recovery of Minimum Amount Due for two successive months, the Auto-Debit instruction for all subsequent months will be cancelled until receipt of fresh instructions from the customer for incorporation of Auto Debit. The Bank reserves the right to accept and/or subsequently cancel or not accept any such instructions.

In case the Cardmember has instructed the Bank to claim for amounts other than the Minimum Amount Due and there is a credit or a payment made to the Card Account before the Payment due date, the Bank may at its discretion claim only the residual amount i.e., the difference between the amount outstanding as per the Statement and the payments/other credits received before the Payment due date. The Bank reserves the right to amend its policies with respect to such instructions from time to time.

In case the Cardmember has instructed the Bank to claim for amounts other than the Minimum Amount Due and in the event of non-recovery of funds, the Bank will attempt to recover at least the Minimum Amount Due on the Card Account. In future, the Bank may introduce at its discretion a variable option for Auto-Debit facility. Where the Cardmember has opted for a variable amount and the Minimum Amount Due payable on the Card Account is higher than the option exercised, the Bank reserves the right to claim the higher of the two.

If the Auto-Debit cannot be claimed for insufficient funds on the recovery date, the Auto-Debit reversal charges would be levied irrespective of any other payment/credit made into the Card Account through any other mode other than Auto-Debit.

The Bank at a predetermined overdue status would reserve the right to withdraw the standing instructions given by the Cardmember without any prior notice and the facility may not be made available in future.

In a specific case where subsequent to providing instruction to the Bank to Auto-Debit a nominated account, the nominated account is closed or transferred to another branch, the Cardmember undertakes to advise the Cards Services Division of the Bank of the change in status of the nominated account. Please note that the service or penal charges that accrue to the Cardmember's account because of non-compliance or delay of this advice will not be refunded.

CARDMEMBER AGREEMENT

The Bank will not be liable or responsible for any consequences of the Cardmember's valid PIN becoming known to a third party. The Cardmember will be liable for all consequences in the event of any loss due to the misuse of his/her PIN.

If, after memorising the PIN, the PIN is lost or stolen, or if the PIN becomes known to somebody else, and if the card is still in the Cardmember's possession, he/she should immediately advise the Cards Division of the Bank. Any delays may expose the Cardmember to the liability of unauthorised use of the card.

Subject to the Card Account being valid, if the card is retained in the ATM, the Cardmember should contact our 24Hour Customer Call Centre for assistance. A replaced card will be forwarded for a fee as specified by the Bank from time to time.

CHANGES TO TRANSACTIONS THROUGH TERMINALS

For transactions made at any of the Bank's ATMs and ATMs of other selected banks/financial institutions the Bank will endeavour to process the same to the Card Account on the same or following business day provided they are made prior to the close of the Bank's business hours.

PRINTED TRANSACTION RECORDS

When the Cardmember completes a transaction at an electronic terminal he/she will receive a printed transaction record. The Cardmember must check the record carefully. The Cardmember should retain these records for verification purposes and to aid in reconciling Account Statements.

Some of our ATMs will offer the option of not receiving a transaction record. However, it is recommended that the Cardmember always choose to receive a transaction record.

TRANSACTION LIMITS

The Bank may change or impose limits on the amount of funds that are made available through electronic terminals, over any specified period of time for transactions that require the use of a card and PIN. Merchants and other banks/financial institutions may also impose additional restrictions on transaction limits. **ELECTRONIC FUNDS TRANSFER AT POINT OF SALE (EFTPOS)**

When using the card at an EFTPOS terminal, the Cardmember agrees that the Bank will not be held responsible or liable, unless required by law, for:

Any Bank/Financial Institution or Merchant refusing to accept or honour the card; or Any goods or services purchased with a card

Any complaint about goods or services must be resolved only with the Merchant concerned. If an EFTPOS terminal malfunctions or is otherwise unavailable for use, alternative manual transactions may be made using the card and a transaction voucher must be signed by the Cardmember at the request of the Merchant.

POINT-OF-SALE (POS) TRANSACTION

When using the card at a POS terminal, the Cardmember agrees that the Bank will not be held responsible or liable, in the event that a POS terminal malfunctions or is unavailable for use. Alternative manual transactions may be made using the card and a transaction voucher must be signed by the Cardmember.

INTERNET TRANSACTIONS

The Cardmember is cautioned that any transaction on the Internet resulting in any outflow of Foreign Exchange must be made strictly in accordance with the Exchange Control Regulations of the RBI and that in event of failure to do so the Cardmember may be liable for penal action under the Foreign Exchange Management Act, 1999. With a view to protect the interest of Card members, HDFC Bank reserves the right to decline at its sole discretion, certain Internet transactions, depending on the origin and nature of purchase. This is done with a view to protect the Cardmembers from unauthorised or fraudulent usage of account information by persons/parties.

DISPUTES

Any chargeslip or other payment requisition received from a Merchant Partner by HDFC Bank for payment shall be conclusive proof that the charge recorded on such chargeslip or other requisition, was properly incurred for the amount and by the Cardmember referred to in that chargeslip or other requisition, as the case may be, by the use of the Credit Card, except where the Credit Card has been lost, stolen or fraudulently misused, the burden of proof for which shall be on the Cardmember and for which prior intimation to the Bank must be provided by the Cardmember. The other payment requisition referred to in this clause shall include any and all payments pertaining to permissible expenses incurred by a Cardmember at a Merchant Partner by use of the card which is not recorded on a chargeslip.

If the Cardmember believes that an error has occurred in the Statement he/she should promptly inform the Bank in writing, (so that the same is received by the Bank within 30 days of the date of Statement in which the transaction under dispute was charged). The operating rules applicable under the Credit Card Scheme impose time limits on reporting disputed transactions. If the Cardmember does not report/inform the Bank within time, this makes it difficult for the Bank to gather information about the transactions and this may work to the Cardmember's disadvantage.

It is therefore advisable to notify the Bank of any disputed transactions immediately upon receipt of the Statement of Account. This includes any disputes regarding Reward Points (if applicable) allocated to the Card Account. To assist the Bank with its investigations, the Cardmember will need to provide the following information: **Cardmember name and card number**

Details of the transaction in question

Wherever necessary the Bank will contact the Cardmember should it need any further information. Pending the Bank's investigation and correction (if any), the Bank may, at its sole discretion, credit the Cardmember's account with the disputed amount and debit the appropriate Reward Points (if applicable) till a conclusion is arrived in respect of the

dispute. Where, after completion of investigations, the Bank concludes that no error has occurred, the Bank may advise the Cardmember accordingly, and the account if already credited will be promptly debited for the disputed amount with relevant credit of Reward Points (if applicable) with the original transaction date, and interest will accrue accordingly. If, in the process of investigating the Cardmember's query, the Bank has had to retrieve voucher copies either from its archives or through another bank entity, the Cardmember's account will be debited for retrieval fees as specified by the Bank from time to time. Amounts due on the transactions including disputed transactions are payable by the due date appearing on the Statement of Accounts.

In case of any dispute on an Add-on Cardmember usage, a copy of the chargeslip in a card present environment will be deemed to be conclusive proof of usage by the Add-on Cardmember and will be binding on the Primary Cardmember to construe the same as valid/due and payable. During the course of any interaction on the disputed transactions, the Bank may, at its sole discretion, record the facts, evidences, telephonic conversations with the customer for the purpose of investigation.

The Courts in Chennai, India, shall have exclusive jurisdiction to deal with all disputes between the Bank and the Cardmember, or the estate of the Cardmember and the Cardmember hereby irrevocably and unconditionally agrees to submit him/her to such exclusive jurisdiction. **SECURITY TIP**

On cancellation of an Airline/Railway ticket, if the credit is not processed to the Cardmember's Account within 30 days of the cancellation date, the Cardmember may immediately mail a copy of the credit voucher to enable the Bank to follow up with the concerned member Bank for processing the transaction. The Bank will credit the Card Account as appropriate on receipt of the proceeds from the processing Bank. However, any Charge/Finance charge(s) resulting from delay at any parties' end to process the credit will need to be borne by the Cardmember.

The Ticket Deposit Receipt is not a valid credit note and the Bank would be unable to take up the matter with the concerned member Bank for processing the credit. Cardmembers must submit the Ticket Deposit Receipt to the concerned Railway Authorities within the specified time period (as applicable from time to time) and obtain a credit voucher. In the absence of a valid credit voucher, the Bank would be unable to credit the Card Account.

Depending on the arrangement those organisations have with their member banks, the transaction will attract a service fee from the member bank and any taxes thereon, which may vary from time to time. This charge cannot be suppressed, and is due and payable.

Currently all tickets booked with the Railways using the Credit Card would attract a handling charge from the member Bank at a fixed percentage/amount, which cannot be suppressed and is due and payable.

Transactions done using the Card Account may in the future attract similar charges as specified by the Franchise/Authorities. Intimation as appropriate will be given by the Bank to the Card member from time to time. **QUALITY**

OF GOODS AND SERVICES

HDFC Bank shall not be in anyway responsible for merchandise, merchandise warranty or services purchased or availed of by the Cardmember from Merchant Partners including on account of delay in delivery, non-delivery, nonreceipt of goods or receipt of defective goods by the Cardmember. Purchase made on the Credit Card shall remain the property of HDFC Bank till such time the charges pertaining thereto are paid in full by the Cardmember to HDFC Bank. All liquor charges shall be subject to the laws in each State for acceptance of the Credit Card.

The Cardmember also specifically agrees that the services provided by the Affinity/Co-brand/Associated partners shall be with their exclusive expertise and that the Bank shall not be party to such service rendered by the Affinity/Co-brand/Associated partners nor does the Bank provide any guarantee or responsibility or indemnity to the Cardmember as far as the services rendered such as its quality, accuracy, scope and cost to the Cardmember. The Cardmember hereby undertakes that any disputes or argument that he may have with the Affinity/Cobrand/Associated partners with respect to services rendered will not constitute valid reason for him/her to dispute, delay or default on dues owed - in full or in part - on his HDFC Bank International Credit Card.

Once a card is reported lost, it should not, under any circumstance be used if found by the Cardmember subsequently. As the Add-on Card is an extended facility given on the primary Card Account, the Add-on Card is rendered invalid when the Primary Card is reported lost. Similarly, if the Add-on Card is reported lost, the Primary Card Account and other Add-on Cards are invalidated.

The Bank is not liable or responsible for any transactions incurred on the Card Account prior to time of reporting of the loss of the card and the Cardmember will be wholly liable for the same. After the receipt of proper notification of the loss by the Bank, the Cardmember's subsequent liability is zero.

The Cardmember will be liable for all transactions on the card if the card(s) loss is not reported immediately and the FIR not filed within 3 days of the loss/theft of the card.

Subject to the account being regular and the report of any card loss being received properly and in time, the Bank will reissue the Primary Card (and Add-ons, where applicable) on receipt of written instructions confirming the loss, along with the FIR and send the re-issued Cards to the address of the Primary Cardmember. However, the re-issue of the card is completely at the discretion of the Bank.

The Cardmember will also fully co-operate with the Bank, the representatives of the Bank and/or legal authorities in the event of an investigation into any disputed transactions.

The Cardmember hereby indemnifies the Bank fully against any liability (civil or criminal), loss, cost, expenses or damages that may arise due to loss or misuse of the card, in the event that it is lost and not reported to the Bank or lost and misused before the Bank is informed.

CARD OR PIN LOSS OR THEFT
